Head Coach
Darcy Dorton

First Season at EMU • Col. of Charleston, 2014

Darcy Dorton was named as the ninth Head Volleyball Coach at Eastern Michigan University on Feb. 18, 2019. Dorton starts her first season at EMU in 2019 after serving as an assistant coach for the program for the previous four seasons.

This will be Dorton's first head coaching opportunity, but she's no stranger to success with a combined six NCAA Tournament appearances, five conference titles, and two NCAA National Championships in her playing and coaching career. As a student-athlete at Penn State University and the College of Charleston, she compiled an .845 winning percentage (147-27). Furthermore, Dorton is believed to be the only player in NCAA Division I volleyball history to win conference titles in three different conferences (Big Ten, Southern, and Colonial).

"I applaud the hiring of Darcy Dorton as the Head Coach at Eastern Michigan and feel confident that her energy and enthusiasm will translate into continued success in the volleyball program," said seven-time NCAA National Champion and Penn State University head coach Russ Rose. "Darcy played with great passion and I'm sure her coaching style will be the same."

"Eastern Michigan fans should be excited that they have Darcy running their program," says College of Charleston Head Coach Jason Kepner. "She has been a winner at all stages of her volleyball career and I have no doubt that she will continue that trend as the head coach at EMU."

Dorton joined the Eagles in 2015, helping the team make Mid-American Conference Tournament appearances in three of those four seasons. In 2018, Eastern Michigan reached new heights, winning its first MAC Tournament Championship in program history and first-ever bid to the NCAA Tournament, where it fell to No. 3 Illinois, which went on to participate in the Final Four.

In 2018 alone, Cassie Haut was named the MAC Tournament's Most Valuable Player, while Alyssa LaFace became the first EMU player since 2002 to be named to the American Volleyball Coaches Association (AVCA) All-Region team, while also earning a spot on the All-MAC First Team along with Haut and Jordan Smith. Over four seasons, she helped coach five All-MAC honorees, as well as 22 Academic All-MAC selections.

Dorton was charged with training and player development for the Eagles. In 2018, Haut led the MAC in hitting percentage (.377) and the squad paced the league in assists (13.35) and kills (14.16) per set. A season prior, the Eagles were tops in blocks (320), while Samantha Falco finished second in blocks per set (1.18) and Kelly Ferguson was second in hitting percentage (.370). Before joining the coaching ranks, Dorton had

an outstanding collegiate career at Penn State (2009-11) and the College of Charleston (2012-13).

While competing as a Nittany Lion, Dorton was named Big Ten Conference's Freshman of the Year in 2009 and helped Penn State to a National Championship that same season. She was an AVCA Honorable Mention All-American and AVCA Mideast Region Freshman of the Year honoree.

The Nittany Lions did not lose a set in the NCAA Tournament until the national semifinals against Hawai'i, but won that match, 3–1, to set up a showdown against No. 2 Texas. Dorton recorded 13 kills in the matchup with the Longhorns. She finished her freshman campaign with 66 blocks, while ranking fourth on the team in kills with 276.

She was a member of the 2010 team that also won a National Championship with a 32-5 record. A captain in 2011, the Nittany Lions finished the year with a 25-8 mark in the semifinals of the NCAA East Regional. Dorton transferred to CofC prior the 2012 season. In her first season with the Cougars she was named 2012 AVCA All-American Honorable Mention, the first in the program's history, along with AVCA All-South Region and First Team All-Southern Conference. Dorton led the Cougars with a career-best 27 kills in a first round victory in the NCAA Tournament over No. 23 Miami (Fla.). The Muncie, Ind. native led the team in kills with 529, which was the most single-season kills in school history during rally scoring era. Her 4.20 kills per set in a single season ranked fourth in College of Charleston record books.

In 2013, Dorton began her sand volleyball career at CofC, teaming up with Andi Zbojniewicz. The duo became extremely successful posting a 7-2 record on the season. In her final indoor season, Dorton was named the Colonial Athletic Association's Player of the Year and First Team All-CAA. She was named the CAA Tournament's Most Outstanding Player after a 19-kill effort in the championship match. Dorton finished second in the conference in kills per set (3.60) and points (437) and won CAA Player of Week honors on four separate occasions. She also surpassed 1,000 kills combined in her time spent at College of Charleston and Penn State when she posted 16 kills against James Madison, Oct. 4, 2013.

Dorton is the ninth full-time head coach since the program began in 1976.

Assistant Coach
Peter Winters

Third Season at EMU • Northern Arizona, 2013

Peter Winters enters his third season as a full-time coach for Eastern Michigan. Since his first season with Eastern Michigan, he has primarily focused on working with the outside hitters and defensive specialists, while also contributing to scouting and recruiting.

Not only did Eastern Michigan win its first Mid-American Conference Tournament Championship in 2018, but the Eagles had their first American Volleyball Coaches Association (AVCA) Midwest Region player in 16 years. Senior libero Alyssa LaFace was honored after finishing her senior season with a 5.75 digs per set mark, good for seventh in the NCAA, and put up 725 total digs during the season, the second-best single-season total in EMU history. The libero also earned All-MAC First Team and MAC All-Tournament team honors. Joining LaFace on the All-MAC First Team was senior outside hitter Jordan Smith, who finished her EMU career fifth all-time in career kills with 1,341.

Winters helped Eastern secure the 2018 recruiting class that expanded its footprint farther than ever before, bringing in student-athletes from Hawaii and California, both program firsts, as well as Canada, Illinois, and Michigan.

Prior to joining Olson's staff, Winters served as the Director of Training, Recruiting, and Coordinator and National Team Coach for the Huron Valley Volleyball Club in Saline, Mich. In that role, Winters worked alongside the club director to ensure quality development and instruction. He worked with athletes age eight to 17 years old, while he also ran position training for teams.

Winters began his volleyball coaching career as an assistant at the University of Michigan-Dearborn for the 2014-15 season. There, he organized and maintained inventory of equipment, coordinated team meals, oversaw video operations, and assisted the head coach with recruiting and talent evaluation.

Winters graduated from Northern Arizona University in 2013 with a degree in parks and recreation management. He currently resides in Ann Arbor.

Assistant Coach
Kassie Kadera

First Season at EMU • Toledo, 2012

Kassie Kadera, a former standout student-athlete and NCAA Division II head coach, has been named an assistant coach for Eastern Michigan University's volleyball team, Head Coach Darcy Dorton announced Monday, April 8 2019.

Kadera, who was an All-Mid-American Conference student-athlete at the University of Toledo, has accumulated eight years of coaching experience at both the collegiate and club level in the midwest. She will work primarily with the setters while at Eastern, as well as assist with recruiting and scouting.

"I am so excited to have Kassie join our staff," said Dorton. "Her experience as a student-athlete in the MAC and familiarity with the conference will help her fit in right away. She understands what it means to win a MAC Championship and is eager to get started helping us defend our title. She comes from an incredible training background and I know her passion and knowledge is something our student-athletes will benefit from immediately."

Prior to joining Dorton's staff, Kadera served as the head coach at Walsh University, an NCAA Division II institution in Canton, Ohio. After beginning her tenure with the Cavaliers as an assistant in 2014, Kadera was promoted to the head coach in 2015 and promptly led the team to its second conference tournament appearance and first Great Midwest Athletic Conference (G-MAC) East Division title.

Kadera's collegiate coaching career began as a volunteer at the University of Akron where she helped coach setters, broke down film, and kept track of necessary statistics for the Zips' coaching staff. She has also spent seven years coaching with various club programs throughout Ohio.

The University of Toledo graduate had a highly-decorated career for the Rockets, led the MAC in assists-per-set in 2009 and ranked third in the league in her other four seasons, while also earning All-MAC Second Team honors three times.

In his time there, he worked primarily with the defensive specialists, while also working closely with the head coach to design and implement on-court drills. He was also in charge of statistics and recruiting.

Pereira has also spent time as a coach at a number of local high schools. He spent time as the freshman girls coach at Ann Arbor Pioneer High School, as well as the junior varsity coach at Ypsilanti High School.

2018 MAC Champions

EASTERN MAKES HISTORY WITH FIRST MAC TOURNAMENT TITLE

When the 2018 season began, the Eastern Michigan volleyball team had one simple goal in mind: improve every day. The rhythm of the season inevitably brings both highs and lows, but consistent improvement from start to finish is one of the few things a team can control.

After the Mid-American Conference preseason poll set the expectation as fourth place in the West Division, the leadership of one of the top senior classes EMU has ever had took over. The Eagles started the season with an 8-3 record, winning the William and Mary Colonial Classic, and continued the roll into conference play.

Eastern won five of its first six MAC games, and after a short midseason swoon, finished the campaign winning three of its final four.

For their efforts during the season, seniors Jordan Smith and Alyssa LaFace were named Mid-American Conference first team members. Joining them on the league's first team was redshirt sophomore Cassie Haut, who led the conference in attack percentage. It marked the second time in program history and first time since 2011 that Eastern had three players earn All-MAC first team honors.

Riding into the tournament as the No. 5 seed, EMU drew the No. 8 seed Kent State University to open play. The Eagles made relatively easy work of the Golden Flashes, surviving the first set 28-26 and rolling to a sweep behind 25-17 and 25-20 wins. Smith led the way with an 18-kill performance, while sophomore Franki Strefling put up a double-double of 10 kills and 13 digs.

Game two of the championship trek posed a challenge against No. 4 University at Buffalo. The Bulls handled the Green and White in four sets in the lone regular season matchup, and started the tournament showdown with a convincing 25-18 victory. EMU battled back, however, gutting out a 28-26 win in set two. The momentum seemed to carry over, as the Eagles closed out the second round upset with 25-17 and 25-21 victories. Haut proved her first team billing with an eye-popping 21 kills with a .586 attack percentage.

The MAC Tournament semi-final matched Eastern against No. 1 seed Bowling Green State University. With the Falcons playing their first game of the tournament, the Eagles won the rest vs. rust argument by jumping out in front with two wins, 25-13 and 25-14. After BGSU battled to to a 25-23 win in the third set, EMU closed the door with a 25-20 win to knock out the top seed. The balanced attack was led by Smith, who finished with 19 kills, while Haut chipped in 16. Joining the fray was sophomore April Houston, who pounded 13 kills with a .591 attack percentage.

With its first MAC Tournament Championship on the line, the only thing standing in Eastern's way was host school and No. 2 seed Miami University. The RedHawks came out on fire, winning the first set 25-19. After the Eagles battled back with a 25-21 victory in set two, MU took control of the championship with a 25-19 win in set three.

Down 2-to-1, EMU responded by dominating the fourth set, hitting .524 while holding Miami to just .227 to go on to win 25-15. In the winner-take-all game five, Eastern continued its roll with an easy 15-8 victory, ensuring the Eagles' first trip to the NCAA Tournament.

Haut was tabbed tournament MVP after finishng the four game stretch with 65 kills and hitting .385. Joining her on the All-Tournament team was Smith, who tallied 66 kills, and fellow senior Alyssa LaFace, who had 95 total digs and averaged 5.94 digs per set during the tournament. Eastern went on to all to No. 3 University of Illinois in the NCAA Tournament.

1990 TRIP TO THE POSTSEASON

The 1990 season marked the first-ever national postseason appearance for the Eastern Michigan University volleyball program, as the then-Hurons qualified for the Women's Invitational Volleyball Championships, where Eastern went 2-2 before being eliminated by Tennessee.

Led by head coach **Nona Richardson** and seniors **Nikki Stubbs** and **Sherry Anderson**, Eastern stormed out to 20 straight wins en route to a 30-5 season, both of which are school records. Former Eagles' head coach **Kim Berrington** was an assistant coach with the 1990 EMU squad.

Eastern finished the season as the South Florida Tournament champions, Wright State Tournament champions and *Ann Arbor News* Classic champions. Eastern then qualified for the MAC tournament, where it lost in the championship game to Miami in a five-set thriller.

Eastern's Stubbs, Anderson and **Stacy Graham** were named first-team All-MAC. Stubbs ranked fourth in hitting percentage in the conference and was second in kills per game at 4.75 kpg. Graham ranked second in the MAC in hitting percentage and blocks per game, while Anderson also ranked in the top three in the MAC in assists (11.37 apg) and led the team with 42 service aces.

2018 FIRST NCAA TOURNAMENT

Riding into the tournament as the No. 5 seed, EMU drew the No. 8 seed Kent State University to open play. The Eagles made relatively easy work of the Golden Flashes, surviving the first set 28-26 and rolling to a sweep behind 25-17 and 25-20 wins. Smith led the way with an 18-kill performance, while sophomore Franki Strefling put up a double-double of 10 kills and 13 digs.

Game two of the championship trek posed a challenge against No. 4 University at Buffalo. The Bulls started the showdown with a convincing 25-18 victory. EMU battled back, however, gutting out a 28-26 win in set two. The momentum seemed to carry over, as the Eagles closed out the second round upset with 25-17 and 25-21 victories.

The MAC Tournament semi-final matched Eastern against No. 1 seed Bowling Green State University. With the Falcons playing their first game of the tournament, the Eagles won the rest vs. rust argument by jumping out in front with two wins, 25-13 and 25-14. After BGSU battled to to a 25-23 win in the third set, EMU closed the door with a 25-20 win to knock out the top seed.

With its first MAC Tournament Championship on the line, the only thing standing in Eastern's way was host school and No. 2 seed Miami University. The RedHawks came out on fire, winning the first set 25-19. After the Eagles battled back with a 25-21 victory in set two, MU took control of the championship with a 25-19 win in set three.

Down 2-to-1, EMU responded by dominating the fourth set, hitting .524 while holding Miami to just .227 to go on to win 25-15. In the winner-take-all game five, Eastern continued its roll with an easy 15-8 victory, ensuring the Eagles' first trip to the NCAA Tournament.

Haut was tabbed tournament MVP after finishng the four game stretch with 65 kills and hitting .385. Joining her on the All-Tournament team was Smith, who tallied 66 kills, and fellow senior Alyssa LaFace, who had 95 total digs and averaged 5.94 digs per set during the tournament.

Eastern Michigan University

Where We're Located

Eastern Michigan University is located in historic Ypsilanti, about 10 miles east of Ann Arbor, 40 miles west of Detroit and just 20 minutes from Detroit Metropolitan Airport. It is an area rich in academic, research, technological and recreational resources. The University also has sites in Livonia, Jackson, Traverse City, Flint, Detroit and Monroe.

EMU's 800 plus-acre campus of scenic flora and wooded areas includes 18 miles of walkways and jogging trails and has 122 buildings throughout the academic and athletic campuses. Eagle Crest – Eastern Michigan's conference center, golf course, and resort – is located on the banks of nearby Ford Lake.

Ypsilanti plays a leading role in industry and education. The city and the University have forged close ties that have lasted more than 160 years.

What Makes Us Unique

In 1849, the Senate and House of Representatives of the State of Michigan formally paved the way for the establishment of Michigan State Normal School, with the exclusive purposes of instructing persons in the art of teaching; providing a good common school education; and giving instruction in the mechanic arts, husbandry, agricultural chemistry and the laws of the United States.

Since its inception, Eastern Michigan, first as a Normal School, then as a College and finally as a University, has grown and developed to respond to the ever-changing needs of society. Over the years, EMU has educated thousands of sons and daughters of Michigan, the nation, and the world.

The university currently serves 22,000 students who are pursuing undergraduate, graduate, specialist, doctoral and certificate degrees in the arts, sciences and professions. In all, more than 200 majors, minors and concentrations are delivered through the University's Colleges of Arts and Sciences; Business; Education; Health and Human Services; Technology, and its graduate school.

Eastern Michigan's exceptional faculty, students and alumni include CEOs from major businesses, a National Student Teacher of the Year, National Teacher of the Year, numerous Fulbright Scholars and Milken Family Foundation National Educators award winners, and several Michigan Teachers of the Year.

EMU is regularly recognized by national publications for its excellence, diversity, and commitment to applied education.

Our Students

With nearly 22,000 students, EMU provides a rich learning environment for the campus community. The University currently has approximately 18,000 undergraduates and 4,000 graduate students. Our students represent 49 states and 93 foreign countries.

Of undergraduate students, 72 percent are full-time and 59 percent are women. The most popular majors are education, business, social sciences and history, science and engineering, English, and the health professions. EMU's undergraduate population is approximately 66 percent white; 18 percent black; 3 percent international; 3 percent Asian-American; 4 percent Hispanic, 0.2 percent Native-American, and 6 percent not answered (i.e. elected not to respond to this inquiry).

Eastern Michigan offers a number of special academic programs to help students succeed. These include the Honors College; the Holman Success Center; distance learning; accelerated format programs; online, weekend and evening programs and courses; American Humanics certification; Study Abroad Tours; a specialized master's degree program for corporations offered onsite; a double master's degree; online technologies for education and training.

With more than 200 academic and social organizations, an extensive intramural sports program, 21 NCAA Division I-A sports and numerous cultural activities from which to choose, EMU students have diverse opportunities to become involved in campus life. Students' on-campus housing choices range from traditional dormitory-style rooms to apartments and include living/learning center options.

Faculty/Staff

Eastern Michigan University employs nearly 700 full-time faculty and 1,000 staff members. Ninety-four percent of EMU professors have doctoral degrees or terminal degrees in their field. The student to faculty ratio is 17:1.

Faculty work closely with students, and many involve students in their research. Recently, the University celebrated its 30th annual Undergraduate Symposium; a benchmark program for undergraduate research.

Community Outreach

Eastern Michigan is making an impact nationally by channeling its academic research as a means of solving real world problems. EMU currently has 14 research institutes and centers that focus on community building and civic engagement, quality, community and regional development, small business development, geospatial education, textiles, export assistance and product development.

EMU is well-known for merging theory and practice for the benefit of the community. Applied research leads to new knowledge, new jobs and new business. Annually, the university receives about $15 million in revenues for sponsored research and community service activities.

The Alumni Association

Representing more than 160,000 alumni and friends, the Alumni Association sponsors social and service-related programs for more than 20 geographically-based and special-interest alumni chapters.

EMU's Economic Impact

Since its founding in 1849, Eastern Michigan has provided quality services to the residents of Ypsilanti, Washtenaw County, the State of Michigan and other states and nations.

EMU's total impact on the Michigan economy of an estimated $3.7 billion annually reflects a return of more than $42 for each dollar received from the state. The University's total impact on the Michigan economy results in a contribution of $166 million in state tax revenue. Thus, EMU's impact on state government tax revenue is $1.87 in taxes for each dollar received from the state.

Mission Statement

Eastern Michigan University is committed to excellence in teaching through traditional and innovative approaches, the extension of knowledge through basic and applied research, and creative and artistic expression.

Building on a proud tradition of national leadership in the preparation of teachers, we maximize educational opportunities and personal and professional growth for students from diverse backgrounds through an array of baccalaureate, master's and doctoral programs.

We strive to provide a student-focused learning environment that enhances the lives of students and positively impacts the community. We extend our commitment beyond the campus boundaries to the wider community through service initiatives, and public and private partnerships of mutual interest addressing local, regional, national and international opportunities and challenges.

Our History

Founded in 1849, when the state of Michigan was just 12 years old, Michigan State Normal School was designated by the state legislature as the first institution to educate teachers to serve the public schools. The University thus began, somewhat humbly, as the sixth teacher education institution in the nation. A campus that today comprises more than 800 acres was once a four-acre plot with one building and two programs of study – a classical course and an English Course.

The school's name changed several times – to Michigan State Normal College in 1899; to Eastern Michigan College in 1956; and finally to Eastern Michigan University in 1959. During its first 100 years, the institution certified thousands of teachers and developed the broad-based curricula that ultimately prepared it for university status.

Within that new university, three colleges emerged: Education, Arts and Sciences and the Graduate School. The University has since expanded three more times, adding the College of Business in 1964, the College of Health and Human Services in 1975, and the College of Technology in 1980. More recently ,Eastern Michigan has developed Extended Programs and numerous community-focused institutes.

The university has enhanced its learning environment through structural initiatives during the past several years. Recent construction includes the Terrestrial and Aquatic Research Facility (1998), the Convocation Center (1998), the Bruce T. Halle Library (1998), the John W. Porter College of Education Building (1999), the Everett L. Marshall College of Health and Human Services Building (2000), the Village residence hall (2001), University House (2003), new Student Center (2006), and the new Science Complex (2010).

The City of Ypsilanti

Ypsilanti is a city in Washtenaw County with a population of 22,362. Originally a trading post established in 1809 by Gabriel Godfroy, a French-Canadian fur trader from Montreal, a permanent settlement was established on the east side of the Huron River in 1823 by Major Thomas Woodruff. It was incorporated into the Territory of Michigan as the village Woodruff's Grove. A separate community a short distance away on the west side of the river was established in 1825 under the name "Ypsilanti", after Demetrius Ypsilanti, a hero in the Greek War of Independence. Woodruff's Grove changed its name to Ypsilanti in 1829, and the two communities eventually merged.

Henry Ford and the automotive industry came to Ypsilanti in the 1930s and beautiful Ford Lake was created to generate hydroelectric power for the manufacturing plants. During World War II, Ypsilanti became home to the Willow Run Bomber Plant, a factory that would employ 100,000 workers.

He has been an active fundraiser and was instrumental in helping NSU obtain the largest donation in its history, a $15 million gift.

Another NSU success was collaborating with the University of Jinan, in Jinan, China, to develop the first and only Confucius Institute in the Dakotas. The Confucius Institute has a specific three-part focus dedicated to the teaching of Chinese language, culture, and business practices. In addition to the traditional start-up funding provided, he was able to gain local and regional support of nearly $500,000 to launch the initiative.

Scott Wetherbee
EMU Vice President/Director of Athletics

The mark of an exceptional athletics program is the progress that is made each year. And under the leadership of Vice President and Director of Athletics **Scott Wetherbee**, the Eastern Michigan University department of athletics turned in one of its most successful campaigns in his first two years at the helm.

The 2018-19 campaign was another record-setting season in both athletics and academics for Eastern. The Eagles finished near the top in the battle for the Mid-American Conference all-sports championships. It marked the eighth time in the past 12 years that Eastern Michigan placed inside the top-five spots in both standings.

Eastern Michigan won its fourth consecutive women's cross country title while the volleyball team won its first MAC Tournament Championship after finishing tied for second in the West Division. Women's swimming & diving finished as the runner-up at the championships for fifth consecutive season, while women's indoor track & field added a second-place finish.

On the men's side, the men's golf team notched its third MAC title and first since 2008 as it shared the team championship with Kent State University. Both men's indoor track & field and outdoor track & field also finished as the runner-up at their respective championships. Football finished tied for second in the West Division good for its best finish since the league switched to the divisional format in 1997.

Coupled with three Mid-American Conference team titles and 15 individual MAC championships, the 2018-19 campaign was one of the most successful seasons in Eastern Michigan history. In the classroom, EMU student-athletes posted a cumulative 3.270 grade point average (GPA) during the winter semester, the highest mark on record. It was the 19th term in a row EMU student-athletes have earned over a 3.0 GPA.

During Wetherbee's first year at EMU in 2017-18, the department took home two of the Mid-American Conference's top three institutional awards – the Cartwright Award and the Reese Trophy. The Cartwright Award is given for program excellence in academics, athletics and citizenship, while the Reese Trophy is for the top men's athletic program in the league.

The Eagles captured a combined five team championships and 38 individual league titles. For their efforts, 84 EMU student-athletes earned All-MAC honors in 2017-18.

In the classroom, EMU student-athletes posted a 3.259 cumulative grade point average (GPA) during the winter semester, the second-highest mark on record. It was the 17th consecutive term for EMU student-athletes above a 3.0 GPA.

Wetherbee also helped secure approval for Phase I of the Championship Building Plan for a new sports medicine and training facility. Heavily supported by fundraising efforts, the 60,000 square foot structure will house the sports medicine, performance and equipment operations areas. Additionally, the facility will house locker rooms, coaches' offices, and meeting spaces for the football team, while also including a new video board inside Rynearson Stadium.

The 44-year-old Wetherbee was named to the position at EMU on June 26, 2017. A native of Kalamazoo, Mich., has more than 20 years of collegiate athletic administrative experience with a track record of enhancing every department he has served.

A veteran in the world of athletic administration, he is Eastern Michigan's 14th athletic director after spending the past four years at Mississippi State University, including serving as the department's interim director of athletics from October-November 2016.

He has spent 19 years on the senior or executive staffs at five athletic departments, including EMU, MSU, East Carolina University, San Diego State University, and Fresno State University.

Named one of College AD's 2017 NEXT UP honorees, Wetherbee was picked as one of 13 senior level administrators who were believed to be ready to take the next step by some of the most respected athletic directors in the industry.

MSU's senior associate athletic director of external affairs from 2013 until May 2017, Wetherbee developed MSU's external unit into one of the most elite and recognized in all of college athletics. Recently promoted in June 2017 to Deputy Director of Athletics, he has built a department with the hiring of more than 20 new employees to cultivate a culture of innovation and brand consistency.

In 2015 and 2016, MSU's marketing department became the first back-to-back winner of the National Association of Collegiate Marketing Administrators (NACMA) Marketing Team of the Year. Meanwhile, MSU's Athletic Media Relations department was the recipient of the 2015 Football Writers Association of America's Super 11 Award.

Wetherbee has played a pivotal role in the growth of MSU Athletics since his arrival, serving on the executive staff that provides oversight to all 16 of the Bulldogs' varsity sports and overseeing an annual budget of $87 million. He has spearheaded all aspects of MSU's external department, including marketing, media relations, video, equipment, facilities, game operations, licensing, adidas, Gatorade, and served as liaison to Bulldog Sports Properties – the department's third-party rights holder. He successfully negotiated new deals with Learfield, adidas, and Gatorade.

Wetherbee served as MSU's liaison to the SEC Network. With that responsibility, he established a department that produced more than 100 live digital broadcasts during the 2016-17 athletic year. He was also the sport administrator for the Bulldogs' baseball and volleyball programs.

In addition, he oversaw all branding, graphic, venue marketing, and video elements of MSU's athletic facilities. That included the creation of a new $1.3 million video board and hustle boards for Humphrey Coliseum, the vision for the largest videoboard in college baseball at Dudy Noble Field and new graphics in Davis Wade Stadium, Nusz Park, MSU Golf Facility, MSU Soccer Fieldhouse, and the Humphrey Coliseum locker rooms.

Wetherbee arrived in Starkville, Miss. after spending 10 years as an assistant athletic director at East Carolina where he directed the department's marketing and ticket operations. He was part of an administrative team that led a $60 million expansion and development project of ECU Athletic facilities since 2008. In 2011, his marketing ticket vision produced ECU football records in per game attendance (50,012), total attendance (300,069), and season ticket sales (24,188). He assisted the Pirate Club in increasing unrestricted annual giving by over 56 percent and membership growth by 78 percent.

Wetherbee was no stranger to developing brand strategies before his arrival at MSU. He served on multiple committees of East Carolina's strategic planning process, and he was charged with creating a branding initiative to facilitate a consistent message through the department. He worked extensively with IMG Sports to expedite contracts and sponsorship agreements, and he developed a technology team to coordinate social media initiatives.

From 2002-03, Wetherbee served as the assistant athletic director for ticket operations at San Diego State University. He directed ticket sales, oversaw the ticket office's budget, and served on the department's senior staff. One of his many accomplishments at SDSU was the designing and implementation of the men's basketball's reseating process, which allocated seats based on existing donor levels and the priority points system.

Prior to his stint at San Diego State, Wetherbee spent three years at Fresno State, serving as assistant athletic ticket manager from 1999-2000 before being promoted to athletic ticket manager in 2000. He directed all ticket sales and operations for over 100 athletic and special events annually and maintained the department's budget. In addition to supervising the staff, Wetherbee created, designed, and maintained Fresno State's first online ticket office – GoBulldogs.com.

Wetherbee got his start in athletics as a ticket office intern at Mid-American Conference rival Western Michigan University before spending two years as a graduate assistant in the Ball State University athletic ticket office.

Wetherbee earned a Bachelor's degree in sports administration from Ball State in May 1997. He started his collegiate career at Ferris State University as a student-athlete on the baseball team before the program was discontinued.

He and his wife, Tracy, have two children: Taylor and Spencer.

WHAT IS NCAA COMPLIANCE?

Eastern Michigan University is committed to operating its intercollegiate athletics program with the highest degree of integrity, sportsmanship, and professionalism, and we urge you to conduct yourself accordingly.

The Eastern Michigan University Office of Athletics Compliance is committed to a comprehensive compliance program that ensures institutional control over the department of athletics.

Our goal is to educate student-athletes, prospective student-athletes, institutional employees, community members, and boosters about the importance of adhering to NCAA, Mid-American Conference, and institutional rules.

A successful athletic department depends on the willingness of coaches, administrators, staff, student-athletes, and boosters to be aware of NCAA, MAC, and institutional rules.

All of us at Eastern Michigan University appreciate your support. Your commitment to rules compliance is necessary to ensure that the University, its student-athletes, and coaches remain in good standing. Our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

FIVE RULES TO REMEMBER

1. FANS HAVE RESPONSIBILITIES

As an individual who is a season ticket holder, a member of an Eastern Michigan University booster organization (e.g., Eagles Pride, E-Gridiron Group), has made financial contributions to EMU, or been involved in promoting EMU's athletic program, you are considered a "Booster" and are required to adhere to an atmosphere of compliance. As a booster, your conduct reflects on the integrity of the entire university.

Once you support EMU Athletics, you retain that identity as a booster forever - the rules still apply! This is true even if the individual no longer contributes to, or is involved with, EMU's athletics program.

2. DON'T GIVE BENEFITS OR INDUCEMENTS

Student-athletes can only receive benefits that other students in the general population can receive. An extra benefit is any special arrangement by an EMU employee or booster to provide a current or prospective student-athlete (or the athlete's relatives or friends) a benefit not expressly authorized by the NCAA. Examples of impermissible benefits include, but are not limited to:

- Gifts of cash, clothing, equipment or any other tangible item;
- A special discount, payment arrangement or credit on any purchase or service;
- Loan of money or co-signing of loans;
- A vehicle, use of a vehicle, or any transportation expenses;
- Free or reduced-cost services, purchases or rentals;
- Entertainment on- or off -campus; or
- Free or reduced-cost rent or housing.

The best way to support EMU student-athletes is by donating to Eagles Pride!

3. LEAVE THE RECRUITING TO US!

You're passionate about your EMU Athletics programs and you want everyone to know it! But remember, only EMU coaches and athletic department staff members are permitted to be involved in the recruiting process. Boosters should be aware of the following:

- Do not contact a prospective student-athlete (or members of the prospect's family) by letter, telephone, e-mail, text, online (Facebook, Twitter), or in-person (on- or off-campus) for the purpose of soliciting their participation in EMU's athletic programs.
- Do not contact a prospect's coach, principal, or counselor in an attempt to evaluate the prospect;
- Do not become involved in making arrangements for a prospect (or the prospect's relatives or friends) to receive money or financial aid of any kind;
- Do not visit a prospect's school to acquire films or transcripts in an attempt to evaluate the prospect's academic or athletics eligibility;
- Do not have contact with a prospect (or the prospect's relatives or friends) during any of their visits to EMU's campus;
- Do not contact student-athletes enrolled in other four-year institutions regarding the possibility of transferring to EMU.

Even though there are many rules prohibiting your involvement with prospects and the recruiting process, as a booster you are permitted to do the following:

- Notify EMU coaching staff about noteworthy prospects in your area;
- Attend a prospect's athletics event on your own initiative, as long as you do not have contact with the prospect (or the prospect's parents or coach);
- Continue existing friendships, provided you do not solicit the prospect's enrollment.

Please note, a prospective student-athlete (prospect) is a student who has started classes for the 9th grade (7th grade for Basketball). Students enrolled in preparatory schools and two-year colleges are also considered prospects. An individual remains a prospect even after he/she signs a National Letter of Intent.

If you know of a talented athlete, please let the coaching staff know, and we'll do the rest!

4. KNOW THE CONSEQUENCES!

EMU is responsible for the actions of its boosters. If a booster recruits or provides impermissible benefits to a current or prospective student-athlete (or the athlete's relatives or friends), EMU may be subject to penalties from the NCAA and Mid-American Conference. When a violation occurs, regardless of the intention, it can:

- Jeopardize the eligibility of prospective and current student-athletes;
- Result in the EMU athletics program being penalized by the NCAA and/or the Mid-American Conference; and
- Cause you to lose benefits or privileges associated with the athletics department (i.e., booster membership, ticket privileges).

5. ASK BEFORE YOU ACT!

The NCAA Rules are not limited to the above, and they are often misunderstood. If you have any doubt or questions, please contact the Office of Athletic Compliance. We strongly encourage open communication between fans, supporters, and the EMU Athletic Department.

Remember, our success is due to support from individuals who are cautious and knowledgeable of NCAA rules. Help us win with integrity!

NOT ALWAYS THE EAGLES

Since the 1991 season, Eastern Michigan University athletic teams have gone by the nickname "Eagles." The Eagles name was officially adopted on May 22, 1991, when the EMU Board of Regents voted to replace the existing Huron nickname and logo with the new one.

EMU originally went by the nicknames "Normalites" and "Men from Ypsi" and various other titles down through the years before "Hurons" was adopted in 1929.

The "Hurons" first came into being as the result of a contest sponsored by the Men's Union in 1929. On Oct. 31 of that year, a three-person committee, composed of Dr. Clyde Ford, Dr. Elmer Lyman and Professor Bert Peet, selected the name "Hurons" from the many entries in the contest.

The name was submitted by two students, Gretchen Borst and George Hanner. Hanner was working at the Huron Hotel at the time of the contest and was no doubt as much influenced by his place of employment as by the Huron Indian tribe. The runner-up name in that contest was Pioneers.

EMU began investigating the appropriateness of its Huron Indian logo after the Michigan Department of Civil Rights issued a report in October 1988 suggesting that all schools using such logos drop them. The report indicated that the use of Native American names, logos and mascots for athletic teams promoted racial stereotypes. At that time, four colleges, 62 high schools and 33 junior high/middle schools in Michigan used Indian logos or names.

The EMU Board of Regents voted to replace the Huron name with Eagles, taken from three recommendations from a committee charged with supplying a new nickname. The other two final names submitted were Green Hornets and Express.

GREEN, WHITE AND YELLOW?

The EMU Eagles' colors are green and white, but the track and cross country teams both feature yellow on their uniforms. There is a reason these teams stand out, and the history behind it goes back to 1967. EMU Hall of Fame Head Coach **Bob Parks** offered some insight to the story behind how the yellow came about.

"When I got to EMU in January 1967, the team was wearing dark green singlets and dark green shorts. In that season, we ran a meet at Western Michigan University, and the finish line was beneath the balcony which was very dark. In the hurdle final, there were six men, three from Michigan State and three from EMU. MSU's uniforms were almost identical to ours. When the finish positions were announced, we got the short end of the stick. You could hardly see the runners under the dark balcony area, and they got the finish wrong. At that point, I decided to get uniforms that showed up better.

"Back then, Kansas was a big name in collegiate track, and they wore pink shorts and powder blue singlets with pink lettering. Everyone thought they were great. I decided to copy them and ordered orange shorts and green singlets with white lettering trimmed in orange. We wore them for about four years, but the Regents decided that all of our teams should be wearing green and white. When they made us get rid of the orange and green, I ordered green and gold, colors I had always liked. At first, they weren't going to let us use them, but I pointed out that our football team was wearing green and gold. Our administration could hardly argue with me, since our gridders were wearing it too."

"We have worn it ever since, and it is known from coast to coast, as our men have done traditionally well nationally. It also differentiates us from MSU and Ohio University's color schemes. The green and gold does show up well at the finish line, but nowadays they use computer cameras, so it is less of a problem as it was in the 60s and 70s."
